Blurr Wong
Managing Director
Orange Events, Malaysia

Dear Blurr,

I would like to thank yourself, Orange Events, and all other companies that worked with us in staging the Hagemeyer event at the KLCC in April. The event was an outstanding success due mainly to the professionalism and efforts of yourself and your colleagues, an exceptional effort by all concerned.

An event of this size and proportion is an immense project and its success was guaranteed from the start due to your diligence in pre-production and then your hands on approach and professional attitude on site. Orange Events serviced our every need and I felt that we were a team from start to finish with the events success our mutual aim, you should be proud of yourself and your company, I would be happy to work with you anywhere in the world.

Your crews looked after my crew exceptionally well, Bob was awesome, Zaki patient, I am reticent to name names as I do not want to miss anyone in giving them credit for their performance, please pass on my thanks and professional respect to all involved, not just on-site, please include the people in your office, the people putting the equipment together in the shop etc., they should all be very proud of their accomplishment.

I will forever have fond memories of our time in Kuala Lumpur, knowing very little about Malaysia on my arrival I discovered that the countries greatest asset is its people, everyone made myself and my crew feel welcome and at home from the moment we arrived and we will certainly spread the word in Australia that Malaysia is a country that should be visited both professionally and socially.

Thanks again Blurr, I regard my meeting you a blessing and if there is anything I can do for you or yours in the future please do not hesitate to ask. Please pass this note through your staff, they deserve to feel proud of what they achieved with us and I have no hesitation in stating that the event would not have been the success it was had it not been for the fantastic efforts and professional attitude of all those involved.

Sincere Regards and Thanks
